

Father, we thank You that You have called the body of Christ to have wealth so that people's needs can be met. Father, we come before You asking for a breakthrough in our personal finances as well as in the body of Christ. Throughout the Bible Your people have been those who have walked in wealth and prosperity. You said that You would not withhold anything from those who walk uprightly before You. (Ps. 84:11) We bind a spirit of Goliath that is standing between us and our provisions right now in the name of Jesus. We hurl the stone in the spirit realm like David did in the natural realm and hit that demonic force in the head. We bring him down from over our finances right now in the name of Jesus. We break its power from over us and our seed; we cut off his heard now in the name of Jesus. We proclaim victory is ours in Jesus' name. We thank You Father for the victory, for financial deliverance, for financial freedom, for multiplication, for increase, and for a new level of wisdom to deal with Your wealth and understanding how to be a good steward over your finances. We thank You that we are blessed according to Deuteronomy 28 and that Your blessings are overtaking us now according to Your Word.

In the name of Jesus  
Amen
